### **HELP, HELP, HELP**

Lonnie broke his collar bone badly Friday night in Flagstaff AZ (walking to a contra dance) and will have surgery Monday.

**So we need strong arms early, like 7 pm, and after the dance,** to move all of the chairs and tables out of the hall before the dance, and then back in after the dance, set-up Lonnie usually does solo.

### **Dance Details:**

Lewis Land (and Lonnie?) will call dances to the old-time string music of the Muletones (Amy, Brian, Drew, Jim) and guest Bob Deitner and I heard that Karis Funk was going to “twilight the hall”, so it should be a special night.

The Muletones at Young Park – Brian, Drew, Amy, Jim

I also am “walking injured” since early August (probably sports injury, overuse), so I will greet you at the front door this Friday.

Be careful out there! And come dancing!
