Dancer News:

Many thanks to Don and Birgitta for early chairs/tables setup at the Nov dance, to Dee and Craig for greeting newcomers at sign-in, and to all of our first-time dancers: Chris, Ester, Bleuzette, Kara, Luis, Cameron –we hope to see you back having a blast at the next dance.

Enjoy these 2 VIDEOS from the November contra dance:

~ Steven Janowiecki did great calling 2 contra dances, while Amanda added an experienced dancer to the dance floor (they drove 4 hours to join us!). Here is a video link to one of the dances he called: https://youtu.be/_LtMz86zx_M. See if you are one of the dancers.

~ Cheap Shots from Albuquerque played for the November 2019 contra dance and Dave Para provided an encore musical performance using a small, green, plastic "leaf", and playing the classic "Listen to the Mockingbird" (and you DO hear it). What a fun performance. It shows that you don't have to have an expensive musical instrument to make music! All it takes is a ingenuity and a lot of talent. That's all folks.....

See you next Friday in a swing --
